01 • Brand Story

FU HUI PAINTING is a design-driven wall art studio based in Yiwu, China.

We specialize in high-end, texture-focused wall decor that blends art, craftsmanship, and timeless aesthetics.

Every piece is built upon the philosophy of “less noise, more texture,” allowing materials to become the true language of the artwork.

02 • Design Philosophy

Our aesthetic direction combines Light French, Modern American, and Minimal Luxury.

Warm tones, soft shadows, clean lines — art that feels calm, refined, and enduring.

We do not rely on heavy patterns.

Instead, we use material contrasts to create quiet luxury.

04 • Design Highlights

Multi-material layering that creates luxury without overwhelming the space

Neutral tones suitable for every modern interior

Exclusive FU HUAL frame color, highly recognizable

Long-lasting materials free of fading, peeling, or warping

05 • Recommended Spaces

- Living Room – creates a calm, luxurious focal point
- Bedroom – soft textures bring warmth and comfort
- Hallway / Entrance – instant upgrade to the home's atmosphere
- Hotels, showrooms, model homes

06 • Key Selling Points

- ★ Texture-first aesthetic that stands out from traditional printed artwork
- ★ Unique combination of leather × hair-on texture × metal × amber alloy frame
- ★ Global export quality, odor-free, eco-friendly, durable
- ★ Works with multiple interior styles: light French, modern, American, luxury

- Design Style

● Product Overview

A premium wall art piece designed with multi-material craftsmanship, combining hair-on texture, leather, and champagne-tone metal accents to create a refined, modern luxury aesthetic.

● Material & Structure

1. Hair-on Texture Base

The background is crafted from high-density faux hair-on fabric, offering natural grain, soft sheen, and rich tactile depth.

2. Leather Center Artwork

The central panel uses premium faux leather, adding smooth texture, refined grain detail, and understated luxury.

3. Dual Aluminum Alloy Frames

A double-frame structure crafted from matte brushed aluminum alloy enhances strength, precision, and modern aesthetics.

● Design Style

Modern Luxury × Light French × Minimal Texture
Multiple materials, neutral tones, and clean lines build a calm and elegant visual presence suitable for high-end interior spaces.

● Product Overview

A refined wall art piece featuring leather-wrapped aluminum framing and hand-tied leather knots, combining structural craftsmanship with soft material expression.

● Material & Structure

① Leather Base — Lambskin Texture

The background is crafted from lambskin-textured faux leather, known for its softness, fine grain, and elegant matte finish.

② Aluminum Alloy Inner & Outer Frame

A dual-frame construction made from premium aluminum alloy, providing a clean, modern architectural silhouette.

③ Leather-Wrapped Frame Details

The top and bottom sections of the outer frame are wrapped with extended leather from the base, creating a seamless blend of material and form.

④ Hand-Tied Leather Knot

Each wrapped section features four precision-punched holes through which leather cords are tied by hand, adding craftsmanship and artistic texture.

⑤ Leather-Printed Center Artwork

The center panel uses printed faux leather, offering soft texture and premium surface depth compared to traditional prints.

● Design Style

Modern Craftsmanship × Soft Industrial × Minimal Luxury

This piece embodies a unique balance of structure and softness, making it both decorative and artisanal.

Arched Entryway Elegance Series

Product Overview

A refined arched wall art piece designed for modern entryway spaces, featuring skin-touch faux leather wrapping, a vintage-style inset artwork, and a rechargeable brass wall lamp that adds depth and atmosphere.

Materials & Craftsmanship

① Skin-Touch Faux Leather Surface

The entire arched panel is wrapped in soft-touch faux leather, creating a warm, matte, and tactile visual experience.

② Lambskin-Texture Leather Base

The same lambskin-texture faux leather used in your previous series is applied to maintain consistency, elegance, and brand identity.

③ Layered Art Composition

A secondary artwork is placed within the panel, adding depth, dimension, and a curated gallery-like feeling.

④ Rechargeable Brass Wall Lamp

The top of the arch features a warm brass rechargeable lamp, enhancing atmosphere while offering practical soft lighting.

⑤ High-Definition Printed Art Panel

The main artwork uses eco-friendly high-resolution printing on leather surfaces, ensuring clarity, durability, and a rich sensory effect.

Golden Sphere Series

Product Overview

A refined single-frame artwork combining bronze-toned aluminum alloy with signature golden sphere accents and a premium leather art core. Minimalist, sculptural, and designed to elevate modern interiors.

Materials & Craftsmanship

① Bronze-Toned Aluminum Alloy Frame

② Signature Golden Sphere Accents

Three metallic spheres in a soft bronze-gold finish serve as distinctive decorative elements, instantly setting the piece apart from conventional frames.

③ Premium Leather Art Core

The inner art panel uses luxury faux leather for printing, delivering rich texture, a matte finish, and a tactile depth that traditional paper cannot match.
